

MAYOR

VISUAL ASSET KIT / V1.0

App icon | UI assets | Isometric tiles | HUD components

01 / APPLICATION IDENTITY

An icon ready for your desktop

Square PNG sizes, Windows ICO and macOS ICNS. Transparent rounded corners.

1024 x 1024

256px

128px

64px

PNG / ICO / ICNS

Source: MAYOR launch identity

Use the ICO for Windows and ICNS for macOS.

02 / INTERFACE ICONOGRAPHY

36 action & service icons

PNG with transparency plus matching rounded game-toolbar tiles.

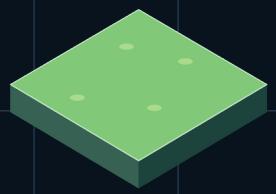

Build tools / zoning / transport / public services / policies / game controls

03 / WORLD-BUILDING ART

12 isometric game tiles

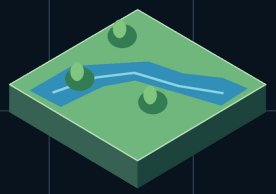

Transparent PNG assets for concept prototyping, overlays, maps and menus.

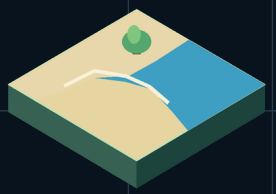

Grassland

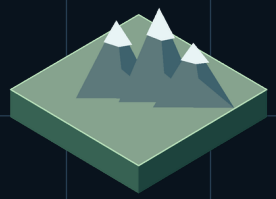

Forest

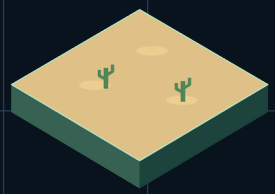

River

Coast

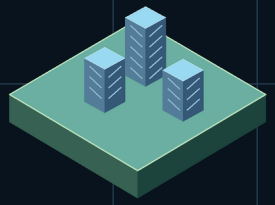

Mountains

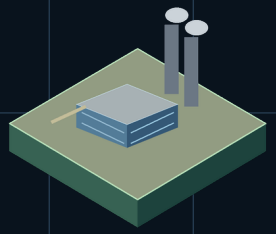

Desert

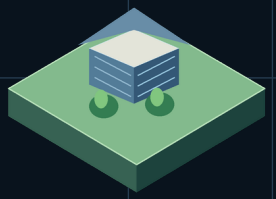

Residential

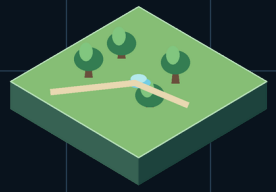

Commercial

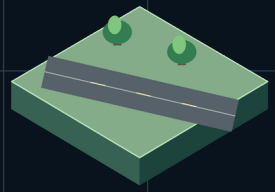

Industrial

Civic

Park

Road

Illustrative starter assets - adapt geometry and collision layers in your game engine.

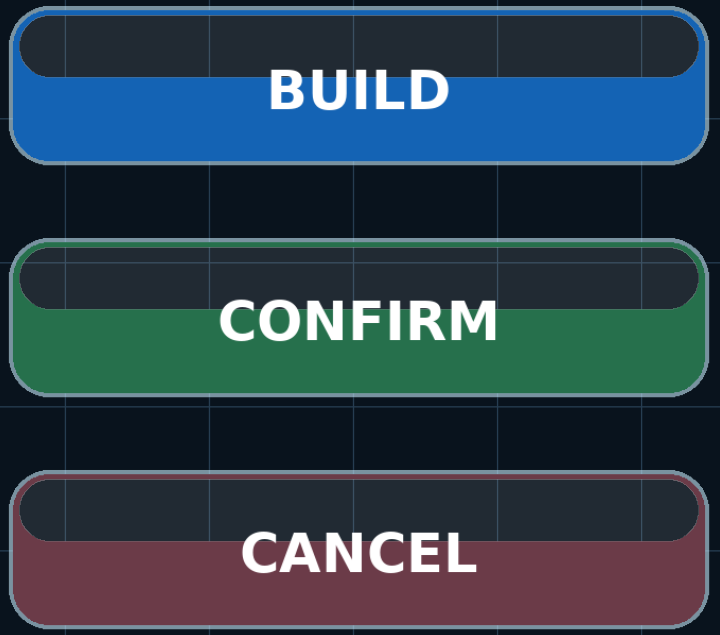

04 / HUD + SCREENS

A consistent player interface

Dark glass panels, electric-blue actions, civic-data indicators and reusable controls.

PREFERENCES / UI CONCEPT

HUD COMPONENTS: 4 BUTTONS + 3 PANELS + 4 STATUS BARS

Components delivered as independent transparent PNGs.

05 / DELIVERY & NEXT STEPS

A structured PNG library

Everything included in this PDF also ships as organized, individually usable image files.
